The National Science Foundation (NSF) has combined the Grant Proposal Guide (GPG) and Grant Policy Manual (GPM) into a single electronic policy framework.

The new **Proposal & Award Policies & Procedures Guide** (NSF 07-140) will be effective for all proposals submitted on or after June 1, 2007. Please see the "Dear Colleague" notice at the end of this message and the guide at http://www.nsf.gov/publications/pub_summ.jsp?ods_key=nsf07140.

The National Institutes of Health (NIH) has revised and renamed their Notice of Grant Award Letter, now called Notice of Award Letter (NoA). The NIH will begin to issue awards in this format effective April 13, 2007. Please see <http://grants.nih.gov/grants/guide/notice-files/NOT-OD-07-060.html> for further assistance.

If you have any questions regarding these changes please contact your Grant and Contracts Officer in SPS-Agreements. These contacts may be found at <http://www.osp.cornell.edu/Contacts/>.
