Cornell Research Information Tools Workshop

June 13, 2001
Agenda

- Tour of Sponsored Programs Website
- Human Subjects Overview
- National Overview of Electronic Research Administration (eRA)
- Cornell Research Foundation (CRF) STAL
- Break
- Sponsored Projects Portal
- Brio
Electronic Research Administration (eRA)

- What is eRA?
- Where are we nationally?
- Where does the government stand?
- How can you stay informed?
- Where are we at Cornell?
**eRA Standing Committee Goals**

- Serve as umbrella entity to eRA related task groups
- Furnish guidelines for eRA development
- Provide faculty perspective regarding eRA initiatives
- Establish and maintain relationships with other organizations’ eRA initiatives
- Establish and maintain relationships with the Federal Commons
- Coordinate presentations
Federal Commons

- Enable grantee organizations to communicate with the Federal Government
- Provide the focus for agencies to develop common face for electronic systems
- Enable grantee organizations to become more familiar with grant activities in the participating agencies
- Include interfaces designed to support secure transmission of administrative information of pre-award and post-award business processes.
Public Law 106-107 Goals

- Improve the effectiveness and performance of Federal financial assistance programs
- Simplify Federal financial assistance application and reporting requirements
- Improve the delivery of services to the public
- Facilitate greater coordination among those responsible for delivering such services
Future: “Common Face of the Government”

Extramural Research Community

Federal Research Agencies

NIH  DOE  DOT  NSF  ONR  CDC  USDA  FDA
